

# Prayer for Dreams to Come True

“Heavenly Father, I ask you to help me see my dreams come true, you who know my heart and know my needs, do not despise my pleas before this request. Help me to clear my ideas of what I really need to be happy, free my soul from all harmful thoughts and allow me to visualize my goals.

I want to ask you to help me, Lord, allow my family to be united and healthy by your side. That you clear my sight and make my dream come true. I need your wisdom so as not to waste the opportunity that life has given me by allowing me to be your child, a great blessing that not all human beings have.

Lord Almighty, glorify my soul and free me from all anguish and concern, raise your infinite power to the farthest so that you once again demonstrate your greatness. Help me live my dreams come true. May your powerful hands be your glorified blood and your divine mantle that guide me to make my best possible life. With the help of God, my dream will come true. Amen
